Pain behind the eyes

Protective Measures

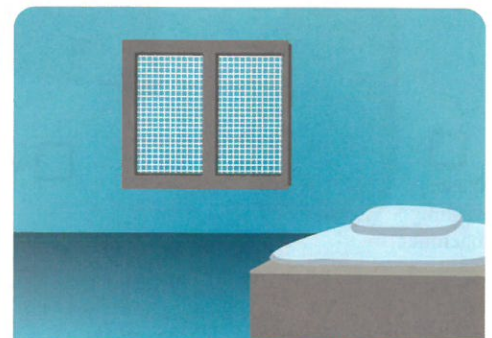

Take precautions when going to areas with dengue fever and Zika virus:

Use DEET bug spray approved by the Ministry of Health and Welfare.

Wear light colored long-sleeved clothing and long pants.

Choose hotels and hostels with screen windows, screen doors, and air conditioning.

After returning from an area with dengue fever or Zika virus, do not donate blood for at least **1 month**. Do not engage in sexual behavior for at least **6 months**, or use condoms when engaging in such behavior.

The Kaohsiung City Government
cares about you.

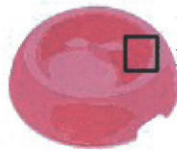

For more information regarding diseases or prevention methods, please go to the website of the Department of Health. <http://khd.kcg.gov.tw/>
